TRAFFIC ADVISORY
Travel Lane Reduction/Closure

VAN DUZEE STREET BRIDGE

Contract crews will be staging equipment and performing maintenance work on the Van Duzee Street Bridge beginning Wednesday, September 12th at 7:00 a.m.

This work will require travel lane reductions with one lane north bound and one lane south bound remaining open.

Temporary signage, barricades and flagmen will be in place to direct motorists.

Motorists are encouraged to use alternate routes during construction as delays should be anticipated. If in this area, motorists should exercise extreme caution when encountering work crews.

Work is anticipated to be completed by close of business Friday, September 14th.

For further information or questions, contact the City Engineering Department at (315) 785-7740.
