City of Watertown, New York Community Development Block Grant Program Citizen Participation Plan

Introduction

This Citizen Participation Plan is adopted in accordance with Section 104 (a) (3) of the Housing and Community Development Act of 1974 and Federal regulations (24 CFR 91.105) and is intended to serve as a guide for how the City of Watertown (the City) will involve citizens in the process of developing its Community Development Block Grant (CDBG) Program. The following Citizen Participation process will ensure that residents and community organizations have ample opportunity to review and comment on the City's CDBG Program, the Consolidated Plan and the Annual Action Plans and the Consolidated Annual Performance and Evaluation Report.

The law requires that this Citizen Participation Plan outline ways in which the City will provide for and encourage citizen participation, with an emphasis on low-and-moderate income people, particularly those who reside in low-and-moderate income neighborhoods, defined as areas where at least 51 percent of households have incomes at or below 80 percent of the Area Median Income (AMI). The City will strive to exceed the U.S. Department of Housing and Urban Development's (HUD) requirements by involving its citizens and those community groups most familiar with the needs of low and moderate income people. This strategy will provide meaningful citizen participation that will improve the quality of the services and programs that the CDBG Program provides and will make the City's Consolidated Plan truly representative of the community's needs.

Targeted Groups and Populations for Citizen Participation

The City of Watertown will encourage its citizens to participate in all aspects of its Community Development Block Grant Program. In preparing the Citizen Participation Plan, Consolidated Plans, as well as all Annual Action Plans and Consolidated Annual Performance and Evaluation Reports (CAPER), the City shall contact, inform, and encourage participation by public and private agencies that provide assisted housing, health and social service agencies, homeless service providers, child welfare agencies regarding lead-based paint, and other agencies that serve the low-to-moderate income population in the City. The City will also contact adjacent units of local government for community development needs, economic development agencies, local and regional institutions and other relevant organizations.

 - City of Watertown Clerk's Office, City Hall, 245 Washington St., Watertown, NY 13601
 - City of Watertown Planning Department, City Hall, 245 Washington St., Watertown, NY 13601

Any citizen, agency or business may also request that the City mail a free copy of any of these documents to them. The documents will be placed in a format accessible to persons with disabilities or non-English speaking individuals, upon request.

2. Meetings, Information, and Access to Records - The City will give timely and reasonable notice of, and access to, local meetings and hearings where CDBG matters are planned for discussion. This will be accomplished through local media notification and posting of meeting and hearing notices. Furthermore, records and

information relating to CDBG plans and activities will also be available to the public (as may be limited by confidential individual statistics and New York State Freedom of Information Laws).

3. Technical Assistance - The City Planning Department will provide technical assistance to groups representing low-to-moderate-income individuals in developing supporting or alternative proposals for CDBG programming. This assistance will be considered if requested and if Staff resources are available. The level and type of assistance available will be at the City's discretion. Availability of such technical assistance shall be regularly evaluated and documented.
4. Public Hearings - The City will hold at least two public hearings annually at different stages of the CDBG process. Exact scheduling will depend on CDBG funding cycles. These hearings will address the City's housing needs, development of proposed activities, and review of program performance. One hearing will be held during the development of the City's Consolidated Plan and/or Annual Action Plan. One hearing will also address the City's Consolidated Annual Performance Evaluation Report (CAPER). All public hearings will occur during evening hours at Watertown City Hall, 245 Washington Street, Watertown, NY 13601, in the City Council Chamber, Room 303. Both City Hall and the meeting room are accessible to persons with disabilities. Notice of the hearings will conform to City Law. Materials will be provided, if requested, in formats suitable for the visually and hearing impaired.
5. Special Language Accommodations - Accommodations will be available upon request at public hearings to meet the needs of non-English speaking residents where a significant number of non-English speaking residents might likely participate. However, given the low percentage of non-English speaking residents within the City, participation in such numbers is unlikely.
6. Citizen Complaints - The City will respond to all written citizen complaints regarding the City's CDBG programs within 15 working days of receiving such complaints.
7. Citizen Participation by Low and Moderate Income Residents - To encourage participation by low and moderate-income residents, the City will provide notices of hearings and CDBG planning sessions to the non-profit housing agencies and human service organizations listed above. These agencies are representative of groups that directly assist the City's low-and-moderate-income population. Through this notification process, these agencies will be encouraged to notify beneficiaries of the CDBG planning process and the opportunities for input through this Citizen Participation Plan.
8. Publication of Consolidated Plan/Annual Action Plan - The City will publish a summary of any proposed CDBG Consolidated Plan and/or Annual Action Plan in the City's official newspaper. Such summary will briefly describe the contents of the Consolidated Plan, the proposed activities to be undertaken and their relationship to

local community objectives. The summary will inform the public when full versions of the Consolidated Plan will be available for review.

The public will have the opportunity to examine the Plan’s contents and submit comments on the Plan and the performance of the applicant. The availability of the annual Consolidated Annual Performance and Evaluation Report (CAPER) is also published to give citizens the opportunity to comment on the City’s performance with regard to its CDBG programs.

9. Preparation of Final Consolidated Plan - The final Consolidated Plan will include consideration, if appropriate, of comments and views received during the comment period for the proposed Consolidated Plan. As with all requests for Federal assistance, the final Plan will be available for public review.

Anti-Displacement Policies

The City of Watertown will administer its CDBG Program in full compliance with federal anti-displacement strategies. Before obligating or expending funds that will directly result in such demolition or conversion, the City will make public and submit to the Buffalo Field Office of HUD all required information including a description of the assisted activity, the general location on a map, number of dwelling units affected, a time schedule, the general location and number of proposed replacement units, the source of funding for replacement units, and the basis for concluding that each replacement unit will remain a low and moderate income unit for at least ten years from the date of initial occupancy.
