

SANITARY SEWER PERMIT STORM SEWER PERMIT

No. _____

CITY OF WATERTOWN, NEW YORK

DATE: _____

(I) (We) hereby make application to the City of Watertown for sewer lateral work at premises owned by (me) (us) at:

The following work is to be done under the direction of the City Engineer and /or Superintendent of Public Works, for which (I) (we) agree to pay actual cost as billed for the material, equipment and labor required; including replacement of any pavement, curb, sidewalk, and/or any other structures as may be necessary.

And (I) (we) further agree to notify the Inspector of Plumbing of the City of Watertown and the Department of Engineering when the sewer from the building is connected and/or disconnected to and/or from said lateral and before the sewer is covered up, so as to permit examination of the same, and comply with the requirements concerning the same.

(I) (We) also covenant and agree to be bound by all rules, regulations and penalties prescribed by the City of Watertown.
