

Seasonal Guidelines

Yard Waste & Brush Collection

This collection is every other week, coinciding with Recycle pick up. Keep Yard and Brush waste **SEPARATED!**

This program is to assist in yard maintenance and is not intended for land clearing, tree/ hedge removal by private contractor. Private contractors must take yard and brush clippings.

Yard Waste Regulations

- Leaves and grass clippings must be in PAPER BAGS or hard sided container
- No bags with anything other than leaves or grass clippings
- Bags should not exceed more than 40 lbs., be split or broken open

Brush Regulations

- Brush must be placed in bundles having a max diameter of 18” and no longer than 5 feet in length
 - Each individual branch cannot exceed 4” diameter, place smaller twigs and branches in a trash can (not to exceed 32 gallons)
 - Place Smaller twigs and branches in a trash can (not to exceed 32 gallons)

All collections are subject to rejection based on these criteria &

Property owners much maintain full accessibility to tote during winter months, crews will not dig out buried totes

Seasonal City Bulk Item Pickup

Visit our website for upcoming service dates and Acceptable Items and Pricing List. All prices are estimates, final costs will be determined by size and weight of object. A site visit to assist in calculating final costs may be needed prior to collection. Contact Department of Public Works for additional assistance.

Do you still need to get rid of Bulk Items?
